## PL005 - AURA Points Score Competition (effective for 2015)

### Notes:

1. There is no distinction between men and women for purposes of this competition, other than for the awarding of points as above. That is, there will be only one overall winner.
2. The points' score is for the calendar year.
3. Only financial members – ***on the date of the event in question*** - are eligible for points. Points will not be awarded retrospectively to members who let their membership lapse. Similarly, for new members, points are accumulated from the date a person becomes a member.
4. Points can only be scored from ultra marathon events within Australia as are listed in the AURA event calendar. Events contested overseas are not eligible except for the IAU 50km trophy cup and the IAU 24 hour, 100km and trail World and Commonwealth Championships.
5. For events to be eligible it is necessary that Event Organisers furnish final (not provisional) results to AURA no later than 7 days from the date of the event. Should this not occur then the performance for that event might be excluded.
6. Points (Category 3) for only **one** record (one for distance **or** one for time) will be awarded in each event. For example, if an athlete in a 48 hour track event breaks the record in his/her age group for 6 hr, 12 hr, 24 hr, 48 hr, 50 km, 100 km and 500 km they receive **one** lots of Category 3 bonus points only, for the purposes of this competition.
7. Points will only be awarded for Category 3 **or** Category 4 (whichever is greater) for any single event.

### Count backs:

If two or more people are tied on “whole” points at the end of the year, then a count back will occur. The count back will be based on part points for accumulated distance by dividing the exact total distance by 50. For example, a person who accumulated 1125.13km would be given 22 “whole” points in the normal results, but if involved in a count back would be credited with  $1125.13/50 = 22.5026$  points.
